Mathematics Summer Assignment for Incoming 8th grade/Pre algebra students

****All incoming 8th grade Upper Academy students enrolled in the Course 3 Mathematics class are expected to begin the 2019-2020 school year with 100% fluency in Reflex Math (multiplication/division). Incoming 8th grade/Pre algebra students are also required to have 95-100% MASTERED in their 7th grade Khan Academy Mission along with Mastery of all lessons under Mission Foundations in their 8th grade Mission. Those who have already reached this goal are required to maintain mastery, by continuing to complete Mastery Challenges on a weekly basis, during the summer months. Please note that the more you practice/master in Khan Academy, the better for you and the maintenance of your Math skills. Anything completed beyond the requirement will be graded as extra credit. *IT IS THE RESPONSIBILITY OF EACH STUDENT TO HAVE THEIR USERNAME AND PASSWORD FOR THE ABOVE NAMED ACCOUNTS PRIOR TO SUMMER RECESS.**

7th Grade Mission Mastery and Mastery of 8th Grade Mission Foundations
